

UNITED STATES DISTRICT COURT
DISTRICT OF MASSACHUSETTS

CONCETTA NYMAN,
Plaintiff,

v.

FEDERAL RESERVE BANK
OF BOSTON,
Defendant.

Civil Action No. 05-10412-JLT

AFFIDAVIT OF JOSEPH BOSCO

Joseph Bosco, being first duly sworn, states as follows:

1. I have been employed by Federal Reserve Bank of Boston, the defendant in the above-captioned matter, since 1984. Since 2000 I have been the Manager of the Currency Processing in the Bank's Cash Services Department. I am responsible for, among other things, overseeing the High Speed unit of Cash Services.

2. I became Concetta Nyman's manager when she was assigned to be a High Speed Currency Operator in February 2001. In that position, Ms. Nyman prepared currency to be machine-sorted by removing rubber bands from straps of currency weighing 2.25 pounds and placing the notes in 2-ounce packets into the high speed sorting machine. After the bills were sorted, and the torn, defaced or suspected counterfeit bills shredded by the machine, Ms. Nyman removed the remaining bills and returned them to containers in the same size packets they had arrived in.

3. I was aware that Ms. Nyman could not lift more than ten pounds. I never asked or directed her to do any task that would have required her to lift more than ten pounds. I offered her the High Speed currency processing position because the position would enable her to work with currency in smaller units that would accommodate her restrictions.

4. In early February 2003, I received a note from Maureen Manning in the Bank's Health Services Unit to the effect that Ms. Nyman should be assigned to work with at least two other people in the High Speed area. After receiving the note, I met with Ms. Nyman and told her that I could not guarantee any particular level of staffing but that she should only do the tasks that she felt physically capable of doing. I then met with Ms. Manning and explained that staffing levels were a managerial decision but that I would not require Ms. Nyman to perform any tasks that exceeded her medical restrictions. We then reviewed that Ms. Nyman had a 10-pound lifting restriction.

5. As of February 2003, the High Speed area typically was staffed with three or four people. However, that number very occasionally was lower on days (such as Chinese New Year) when an unusually large number of employees took vacation time.

6. A complete and genuine copy of the High Speed Area's staffing assignments during the period from January 1, 2003 through April 28, 2003 are attached hereto as Exhibit 1.

SIGNED UNDER THE PENALTIES OF PERJURY
THIS 11th DAY OF MAY, 2006.

/s/ Joseph Bosco
